Oregon Hospitality
FOUNDATION

ProStart

ProStart® is a nationwide career technical education (CTE) program supported by the Oregon Hospitality Foundation that teaches culinary techniques and restaurant management skills, coupled with real-life restaurant sector experiences.

Oregon Coast Hospitality Sector Partnership

Department of Labor Planning Grant

The Oregon Coast Hospitality Sector Partnership is a collaborative project with stakeholders to analyze, research, and recommend strategies for strengthening the Oregon Coast's vital hospitality sector. The final product of these efforts will take the form of a white paper report that is set to be published this year.

A romantic couple is seen from behind, embracing on a rocky mountain peak. The man, wearing a dark blue sweatshirt and a black baseball cap, has his arm around the woman. The woman is wearing a mustard yellow jacket and a brown baseball cap. They are looking out over a vast, hazy landscape at sunset. The sun is a bright orange orb on the horizon, casting a warm glow over the scene. In the distance, a calm lake is nestled between rolling hills. The foreground is filled with green pine trees and shrubs. The overall mood is peaceful and intimate.
